Net Price List

Mechanics net prices are 40% lower than list prices.

JANUARY 19, 1959

This price list supersedes all previous prices and quotations and is subject to change without notice. All orders accepted by us and priced in accordance with this price list will be invoiced at the prevailing price at time of shipment. This price list applies to sales in U.S.A. only.

SUSPENDED ITEMS

Catalog numbers not appearing in this price list represent suspended items which are not available.

GUARANTEE

Indestro Products are fully guaranteed against defects in workmanship and material, except those products indicated by a star (*) which, because of their unique design, are not guaranteed. The guarantee does not apply if inspection shows that the tool has been worn out from use, or has been abused by hammering, or used on undersized nuts, or ground or design changed, or used for purposes other than that for which it was designed.

We reserve the right to make changes in, or discontinue the production of, any item at such time as we deem necessary.
